        <h2>About Me</h2>
        <p>I am a <b> Bachelor of Computer Application Graduate</b> with a strong foundation in programming concepts and logical thinking. My education has equipped me with the skills to approach challenges systematically and find innovative solutions. I possess basic knowledge of programming languages and have a keen interest in problem-solving. I am passionate about technology and eager to continue learning and growing in the field of computer science. My logical mindset allows me to break down complex problems into manageable steps. I look forward to contributing my skills to exciting projects and collaborative teams.</p>
